Good Savers **Investors**

drudgery. It's a hard grind that seems never to end. What they save they put away at little or no return. It takes a wealth of grit to stick to such a course. It usually leads to one of two extremes; either miserimes develops, or discouragement paves the way for smooth-tongued promoters. Both are disastrous.

This problem is easily solved. Couple investment with your saving. Keep your savings working at rightful interest. Thousands find it adds seet to their efforts. Ambition never lags. No lithsome drudgery. Profits stimulate your resolve to save, and ward off get-rich quick temptations.

The Kriebel Plan combines saving and investing, it makes thrift one of your most fascinating experiences. You let nothing interfere with your financial progress. Of all who try the Kriebel Plan, 97's continue with it. Conclusive evidence, you'll agree. This plan finances your investment in high grade listed stocks and bonds. It's the modern way to get absend.
